Exposing the Jesuit Order

2/3 of world leaders have been to satan's throne underneath the vatican, on their knees, begging satan for favors. This is according to Svali, former 4th general of the jesuit order:

"satan would appear in his hideous form below the vatican on what we called satan's throne. It's a deep layer of the vatican that was built centuries ago. And what happened there is—what I remembered seeing—leaders from around the world, not all leaders. I would say based on my memories half to two-thirds of world leaders have gone there, or are committed to the occultic agenda, but a third are not.

...

"satan wanted to be treated like God. he wanted worship, he would have ground glass in front of his throne and make people crawl on their hands and knees over ground glass or over nails or hot rocks or whatever he wanted that day. And he just enjoyed watching people grovel. And then they'd kiss his feet. And then they would beg him for a favor, and they would have to bring him a sacrifice, or a tithe, or something in return for the favor."

"Petitioners then arrive, and must crawl on their knees over the glass in order to kneel at the throne. Inhabiting it was a huge shadowy being whose ring the petitioner kisses, then arises when told and asked their request"

This is embarrassing. The majority of our world leaders have betrayed humankind and sold out to satan and the cabal New World Order agenda:

If you are unfamiliar with the jesuit order being at the head of the cabal hierarchy, please read these two articles:

If you are unfamiliar with the cabal at all, please watch Janet Ossenbaard's 'The Fall of the Cabal' docuseries:

The cabal were attempting to subvert the world into tyranny under the Roman Empire. When Jesus Christ came to the world, He collapsed the Roman Empire with teachings of love, setting an unstoppable momentum to return humanity to the light. This history was shown to Godfré Ray King in chapter III of *Unveiled Mysteries* and to Howard Storm in his Near-Death Experience written in chapter 6 of *My Descent Into Death*:

My question is, why are the majority of Christians still paying homage to Rome?

After Jesus' lifetime, satan and the cabal families who serve satan were unable to stop the spread of Christianity, so they were forced to inextricably tie themselves to Christianity. They transformed their ancient babylonian satanic religion (that they had been practicing at the top of the Roman empire) into Catholicism to try to capture Christianity and collapse it from the inside, as Jesuit defector Alberto Rivera reveals:

"Sweeping changes were in the wind. Corruption, apathy, greed, cruelty, perversion and rebellion were eating at the Roman Empire, and it was ready to collapse. The persecution against Christians was useless as they continued to lay down their lives for the gospel of Christ.

"The only way Satan could stop this was to create a counterfeit "Christian" religion to destroy the work of God. The solution was in Rome. Their religion had come from ancient Babylon and all it needed was a face-lift. This didn't happen overnight, but began in the writings of the 'early church fathers'.

"It was through their writings that a new religion would take shape. The statue of Jupiter in Rome was eventually called St. Peter, and the statue of Venus was changed to the Virgin Mary. The site chosen for its headquarters was one of the seven hills called 'Vaticanus', the place of the diving serpent where the Satanic temple of Janus stood.

"The great counterfeit religion was Roman Catholicism, called 'Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth' - Revelation 17:5. She was raised up to block the gospel, slaughter the believers in Christ, establish religions, create wars and make the nations drunk with the wine of her fornication as we will see."

satan and the cabal tried to erase the true teachings of Christ, including the reality of reincarnation and the truth about Mary Magdalene (high priestess) being an equal partner to and teacher with Jesus (high priest). They did this through the Council of Nicaea, Albigensian Crusade, and inquisitions:

"At the end of the extermination of the Cathars, the Roman Catholic Church had proof that a sustained campaign of genocide can work. It also had the precedent of an internal crusade within Christendom, and the machinery of the first modern police state that could be reconstructed for the Spanish Inquisition, and again for later Inquisitions and genocides. Chateaubriand referred to the crusade as 'this abominable episode of our history'. Voltaire observed that 'there was never anything as unjust as the war against the Albigensians.'"

The short 3-page chapter 28 of *The Da Vinci Code* by Dan Brown explains perfectly the aspect of this attempting to erase the Goddess:

The Italian black nobility established the Jesuit Order in 1540 to further establish a black presence behind the false white of Catholicism. The cabal always try to hide in layers, so their occultic jesuit order is hidden behind the public Jesuit Order, as Svali discusses. They introduced females to the occultic side in the 1900s, and it is interesting to note that Svali was the highest ranking female within the occultic Jesuit Order (4th general), and is now an important whistleblower.

90% of the public Jesuit Order are innocent and devoted Catholics spreading the Word of Jesus Christ. 10% of public Jesuits are unfortunately initiated into satanism. The occultic jesuit order consists of cabal Italian black nobility families.

"There are about 10,000 to 50,000 Jesuits. About 10% of them are initiated into the dark brotherhood. Most Jesuits are just religious people trying to find their way to God."

<https://cobramap.blogspot.com/2022/08/templars-posts-interviews.html>

"The main Archon black nobility families still worth noticing are Farnese, Orsini, Aldobrandini, and Chigi. The Farnese family is the main architect of the cabal as they have created the Jesuits with a little help of the Borja family back in the 1540s. Immediately after that, they have built their first Pentagon in Caprarola near Rome."

<https://2012portal.blogspot.com/2014/01/fall-of-archons-update.html>

The second Pentagon they built is the United States Pentagon, as Cobra (2012 Portal) reveals.

Is it not alarming that the Paul VI Audience Hall resembles a snake head, both inside and out?

The cabal are sellouts who have gained power only by consenting to demonic and negative alien (such as the draco, reptilians, and chimera) infiltration into our world:

https://en.wikipedia.org/wiki/Red_Hot_Catholic_Love

https://rickandmorty.fandom.com/wiki/The_Pope

https://en.wikipedia.org/wiki/They_Live

"The Orsini family has a very strong connection with the Reptilian race and is the main connecting link between the physical and non-physical Archons. They are the ones who created the pact between the Reptilian race and the Roman Catholic Church."

How about the rampant pedophilia well documented in the Catholic Church? (The cabal are satanic pedophiles and are behind all child sex trafficking on the planet):

How about the Jesuit Complete Oath of Extreme Induction? The oath in the public domain, for everyone to see, found in the Library of Congress, Washington D.C., Catalogue Card #66-43354, and is still being used to induct Jesuit priests into command in the Jesuit Order to this day?

"I furthermore promise and declare that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them all from the face of the whole earth; and that I will spare neither age, nor sex or condition; and that I will hang, burn, waste, spoil, flay, strangle, and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race.

"That when the same cannot be done openly, I will secret use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be directed to do so by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus."

The cabal were not planning on staying behind Catholicism forever. They were planning on making Christianity illegal in the New World Order:

"The Vatican is also extremely anti-Christian, regardless of the pronouncements of the newest (Jesuit) pope. At its heart, the Vatican is satanic, serves Satan, and wishes to destroy Christianity. While the presenters in its armies may be Christian, the programmed parts will all be loyal to Satan and the antichrist until healing occurs. The anti-christian agenda of the Vatican has been seeded worldwide, with increasing numbers of laws designed to make biblical, authentic Christianity illegal. Within the next 15 years, it will be illegal (a "hate crime") to be a Christian, and many believers will be faced with possible imprisonment for their faith."

<https://svalispeaksagain.wordpress.com/2022/09/08/vatican-book-part-11-final-section/>

Despite all this, the truth of Jesus Christ can never be extinguished (because He legitimately set an unstoppable paradigm shift which will result in heaven on earth for the righteous).

Cathar families established the Knights Templar. True Templars remain uninfilitrated by the Jesuit Order, and guard the truth of reincarnation and the truth about Mary Magdalene:

https://www.youtube.com/watch?v=JXkFR_J1gTA

Timothy Hogan, Grand Master of the Knights Templar, has disclosed that Mary Magdalene had children with both Jesus and John the Baptist (Mary married Jesus after John was killed), and that the Templars have the bones to prove it. This is hinted at in the end of *The Da Vinci Code* by Dan Brown. He also discusses that Templars believe in reincarnation, just as the Cathars and early Christians did. The cabal erased reincarnation from Christian doctrine so they could scare people into submission with the threat of eternal hell. Hell is not eternal, but it is very real. It is a mathematically correct reciprocation for negative free will:

https://www.cathar.info/cathar_beliefs.htm#hell

<https://www.youtube.com/watch?v=EpCWOpITVds>

"God doesn't put anybody in hell. God doesn't punish anybody. Those are misunderstandings and misinterpretations of God's Word. What hell is—it's the reward for people that despise God. And despising God means apathy. The greatest form of hate, the greatest form of violence is apathy, which means indifference, and that's what I had become.

"And my faith was materialism, and so what I believed and what all of my PhD friends—and all of my friends had their terminal degrees—believed that if you can't measure it, see it, weigh it, count it, it simply doesn't exist. A totally materialistic view. So therefore God doesn't exist, angels don't exist, of course there's no heaven there's no hell, this is all there is. And that we are driven by our sort of base, animal desires, which we need to gratify—very important to gratify those desires. And perpetuate our genes, and then you die.

"That's what I believed. And when I say I believed it I mean I knew that, and all of my friends knew that. And my "friends", both the people that I had gone to school with and now as a faculty member at school, we knew that we were the smartest people on the planet. And knew a lot more than those silly Baptists and Catholics and Methodists and Presbyterians, and Buddhists, and Sikhs, and Hindu, whatever, we knew that those people were just—those were primitive superstitions that people used to invent to explain why there was thunder and lightning, or why their cattle got sick or died or whatever."

The Jesuit Order hates the Knights Templar, and have tried to infiltrate them as Svali discloses:

<https://svalispeaksagain.wordpress.com/2018/05/03/the-hierarchy-of-the-occult/>

The Jesuits tried to invert the public's subconscious reality-perception of Templar benevolence and Jesuit malevolence through mainstream mind-programming in the large game franchise Assassin's Creed:

The forces of Light and Jesus Christ instigated the Protestant Reformation through Martin Luther in the 16th century to free Christianity from centralized Roman Catholicism:

https://en.wikipedia.org/wiki/Martin_Luther

Is it not alarming to look back and realize that the Catholic church did not allow the masses to even read the Bible, keeping it only for the clergy in latin? The occultic Jesuits and Italian black nobility to this day all speak latin as their primary language, by the way.

A complete philosophy and precise argument against all cabal disinformation in Christian doctrine has been established through Swedenborgianism. Swedenborgianism is a window for all mainstream Christianity to rid itself of Italian black nobility disinformation; the only concepts that need to be further introduced are the truth of reincarnation and the truth about Mary Magdalene:

<https://www.youtube.com/watch?v=3Q14EcEwQVQ>

<https://swedenborg.com/emanuel-swedenborg/writings/>

Swedenborg wrote in latin too, but only because latin at that time had changed from a secret language of the elite to a universal translator, much like english is today. Swedenborg spoke to Jesus Christ in spirit in the same manner John spoke to Jesus Christ in spirit for the Book of Revelations.

Even though Catholicism is captured by the cabal, there are many good Catholics who know the true Jesus Christ in their hearts. Most Catholics obviously have no idea of the covert satanism that is being practiced behind their backs by some Catholic leadership.

It is actually important that Christianity is the largest organization on the planet comprising 30.7% of the world population, because the true story of Jesus Christ caused the most important societal shift this planet has ever seen:

https://en.wikipedia.org/wiki/List_of_religious_populations

It is not that Christianity will take over the world. It is just that Jesus Christ's message is a major window for humanity to connect with God in Truth through their hearts, rather than through just information (Theosophy motto: "There Is No Religion Higher Than Truth"):

<https://en.wikipedia.org/wiki/Theosophy>

There are plenty of other windows.

Svali's blog is an amazing source of information. She has written a 3 part autobiography about her life in the Jesuit Order and her defection. It is a remarkable and inspiring story and I highly recommend it:

From my perspective I would like to add that the Jesuits are genetically engineered and hybridized with demonic and negative alien technology. All of their psychic abilities (theta) are artificially and synthetically induced from this technology. Their IQ's are artificially boosted with this technology. This is cheating to gain superpowers and high IQ, as opposed to naturally developing human psychic ability through organic-spiritual development ordained by God:

<https://www.amazon.com/Unveiled-Mysteries-Godfr%C3%A9-Ray-King/dp/1891396870>

<https://sacred-texts.com/sro/botd/botd00.htm>

The Jesuit Order are mind controlled by the demonic realm and are trying to destroy mankind:

"When I was younger, I believed that the goal of occult groups, including the one I was raised in, was to create a 'better world' through the coming New World Order. I truly believed, in my cult host, that I was serving mankind by preparing to help usher in the time of 'he who is to come' who after his birth was known as 'he who has come' as well as by other names.

"I worked hard to improve things, and dedicated to my life to what I believed would be the betterment of mankind. What I had not remembered at that time was the secret held by my core (*Chi*) system, which was wholly dedicated to Satan: that the group I was in, while publicly stating their desire to bring in new world order filled with joy and peace, was actually committed to the complete destruction of mankind."

<https://svalispeaksagain.wordpress.com/2019/03/24/the-real-agenda-behind-the-occult/>

In 2000 they have genetically engineered an individual who they believe to be the antichrist, the beast, and satan. They wish for their antichrist to assume the throne at 30 years of age and rule the world in a global technodystopian tyranny in 2030:

"For years the Jesuits called the expected leader 'he who is to come,' 'the anointed one,' and considered him the bringer of the New Order they have longed for over the centuries. The Jesuits specifically had an antichrist breeding program, in which they took young women who were mated to satan himself in order to carry his child. The fetuses were spontaneously aborted in most cases; or else killed the mother prior to birth.

"In 2000, an infant was born, and the word was out: 'he who is to come' had arrived, and is being carefully raised and tutored by the Jesuit Fathers at the Vatican.

"While he is still a child, he is extremely physically beautiful, and filled with evil. At this time, he sits on satan's throne, and makes judgments, since he is his direct seed, or so the Jesuit Fathers believe. Because of their deception, the Jesuits completely discount the Christian God, or the fact that in His Word He states His complete knowledge of these activities and plots. Psalm 2 shows that the LORD knows all about the plots and machinations going on in Rome, and the worldwide influence they hold over world leaders. It is interesting to see that the LORD finds these plots laughable, because His power is so much greater. Unfortunately, this fact does not deter the ongoing planning and deception that occurs in the Vatican."

<https://svalispeaksagain.wordpress.com/2021/08/17/vatican-book-part-1/>

The New World Order will not come to fruition because Jesus Christ is more powerful than the antichrist. Did the jesuits care to read the story of Saint Christopher?

https://en.wikipedia.org/wiki/Saint_Christopher
